TESTIMONIES

"This is one our family's favorite cons! We have gone for years and every year is bigger and better. It is such a fun atmosphere, and a great group of people. You really get to interact with the guests more and the vendors are always outstanding!" ~LILNOME

"Can I just say I have been going to J1-Con's since it started. I enjoy every moment and day. I plan on being at the one in November. I definitely made a lot of friends from being apart of your community." ~AIDEN THOMPSON-ALLICE

"I've been going to J1-Con since 2013, and I have to say it grows and gets better every year! From the cosplayers to the vendors to the live performances to the gaming tournaments and the best of all is the fact you are accepted as yourself!" ~RICHARD DAGOSTINO

"J1-Con has been so good to us over the years. They took a chance on letting us panel for their event when no other cons would cuz we're a small channel. They really know how to take care of people and do amazing work!" ~UNLOCKABLE CONTENT
